

DODOLANCER

TECHNOLOGIES

Technology that looks good, works hard, and grows with your business.

COMPANY PORTFOLIO

WEB • APP • DESIGN • GROWTH

DIGITAL

Build • Launch • Grow

A smooth, end-to-end digital partner.

2026

A DIGITAL PARTNER, NOT JUST A VENDOR.

Dodolancer Technologies brings development, design, digital marketing and ongoing technical support together so businesses can build and grow without managing a maze of separate vendors.

Coordinated partner

Ideas to build

Our approach is simple: understand the business first, then choose the technology that makes sense.

EVERYTHING YOU NEED TO GO DIGITAL.

A broad service stack for startups, professionals, local businesses and growing companies — from first concept to ongoing optimization.

01

Web Development

Corporate websites, landing pages, portals & custom web apps

02

WordPress

Custom websites, themes, plugins, WooCommerce & maintenance

03

Mobile Apps

Android, iOS, cross-platform apps, APIs & deployment

04

Software Solutions

Dashboards, admin panels, business tools & custom workflows

05

E-Commerce

Stores, catalogues, payments, orders & integrations

06

UI/UX & Graphics

UI design, branding, social creatives, presentations & print

07

SEO & Content

On-page SEO, technical SEO, copywriting, blogs & product content

08

Digital Marketing

Meta ads, social media, campaigns, creatives & lead generation

09

AI & Automation

AI-enabled workflows, automation concepts, integrations & smart tools

10

Support & Maintenance

Bug fixes, updates, performance, backups & ongoing improvements

Need a custom requirement?

Tell us what you want to build — we'll help shape the right scope, stack and roadmap.

MEET THE FOUNDER

ANIL KUMAR LAMORIYA
Founder & CEO

THE PERSON BEHIND THE VISION

Dodolancer is founder-led with a strong focus on practical execution: understand the requirement, simplify the technology, build carefully, and stay available after launch.

FOUNDER'S PRINCIPLE

"Technology should solve a business problem, not create another one."

WHY WORK WITH DODOLANCER?

ONE TEAM

Development, design and marketing can work together.

CUSTOM APPROACH

Solutions are shaped around your actual requirement.

CLEAR COMMUNICATION

Simple milestones, practical discussions and direct coordination.

AFTER-LAUNCH SUPPORT

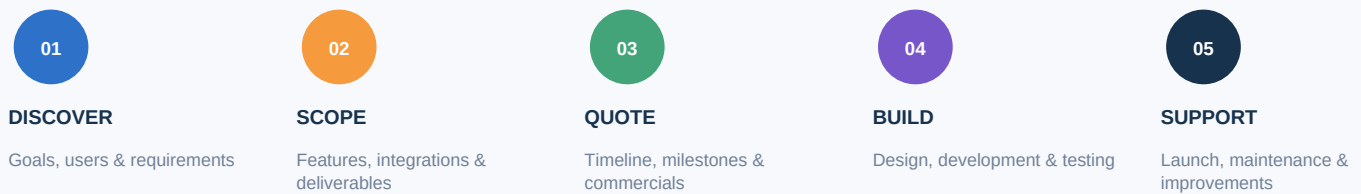

Maintenance and improvements can continue after delivery.

READY WHEN YOU ARE.

Whether you need a website, app, e-commerce store, custom software or a complete digital growth setup, start with a conversation.
